They Wear Two Uniforms

The men pictured above not only serve the City of Daly City as Fire Fighters, 63 hrs. a week, but also serve their country as active members of the Armed Forces Reserve.

Some drill one night a week others drill one weekend a month, but all four spend two weeks each year on a cruise or at camp.

Even though their Military Training does not always help them to be more acomplished in fire fighting, it does help them to be well rounded fire department employees and above all, good citizens.

From left; David Gash, 4 years, Daly City fire department; William Lytle, two years, Gus Constantinos, Ronald Kuchic, 4.

Two Pacifica Residents

Crashes Take Three Lives

Two Pacifica residents were killed in accidents occuring but a few hours apart last Thursday. Dead are Richard Stump Jr., 25, of 110 Monterey road, Pacifica; killed when a motorcycle he was driving struck a chain stretched across the old coast highway in Daly City, and Mrs. Virginia M. Vornoli, 37, of 1419 Perez Ave. in Pacifcia; who died at midnight at the Peninsula hospital, three and a half hours after her car plunged off the Cabrillo highway.

Daly City Police Detective, Phillip LaBruzzo said that the Vornoli car appeared to have been struck by another car as it was traveling north at the Edgemar interchange

After leaving the road, the car careened through the air, rolling over several times when it struck the slope of the paving, finally landing upright in the yard of the home at 898 Highgate drive.

Mrs. Vornoli's daughter Sandra, 10, passenger, said that her mother leaned to the left when the door was battered open. She sustained a broken pelvis, broken spine, compound leg fractures and a possible concusion. The girl received only bruises in the 200 yard plunge. Both occupants were wearing seatbelts, according to Detective LaBruzzo.

Merald B. Hawkins, 47, a home salesman, was arrested on a charge of drunk driving. This was later changed to felony manslaughter.

According to Daly City Police Detective Les Bastedo, the accident on the Old Coast highway happened when Richard Stump failed to see the chain stretched across the road, barring the entrance to the scavenger dump.

Stump was trying out the newly purchased BSA, owned by Darell H. Coots, of San Francisco, owner of the motorcycle and apparently a pas-

False Alarms "Bug" Firemen

Four false alarms occurring almost instantaneously July 13 hampered efforts of Daly City firemen at the scene of an appliance fire and resusitator call.

Firemen were called to a house fire at 52 Monterey shortly after receiving a false alarm at 2:32 p.m.

At 3:55 p.m. firemen answered a false alarm in front of J. C. Penney's in Westlake. Someone had pulled the alarm box in the street.

At 5:03 p.m. firemen rushed to a false alarm at St. Francis and Southgate.

An appliance fire at Oaklawn avenue 5:20 p.m. called out additional firemen and another false alarm was answered at 5:36 p.m. at the Daniel Webster School.

"We were going from one side of town back and forth," said Fire Chief W. Alexander.

At 8:16 p.m. firemen were back in action, administering oxygen to 16-month old George L. Panages son of Mrs. Diane Panages, of 79 Fernwood drive, who suffered a breathing difficulty. The child was taken by Mercy ambulance to French Hospital in San Francisco.

New Patrolmen Begin Duty

Four new policemen completed their first night of duty Monday night under the wing of Lt. Richard Sims who headed their indoctrination program.

The additional men brought the total police force to 52 personnel. This includes 45 officers and seven unsworn officers.

New personnel are as follows:

Don Robert Kelley, 22, 1504 Willard St., San Francisco. He served in the Air Force as a Radar Operator and until his appointment in Daly City was a clerk for the FBI in San Francisco. Kelley and his wife, Dorinda, have one child.

Compromise Seen on LS Salary Hike

Laguna Salada elementary school district teachers will apparently have to compromise their salary increase requests this year, according to Superintendent Frederick Lucas.

"We have the lowest assessed valuation per pupil of any of the surrounding districts" Lucas said. The valuation has, however, jumped over two million dollars, from $25,428,855 to $27,947,350; meaning a relatively small tax revenue increase of $24,500. The salary increase as proposed by the teachers would exceed the 70 per cent limit of the total budget allocated for salaries. District Trustees had previously ruled that not less than 67 per cent and not more than 70 per cent of the budget may be set aside for teachers salaries.

The teachers proposals for a pay scale began at $5100, going to a peak of 9780 for an AB degree plus 60 units of graduate work. The administration's salary schedule ran from $5100 to $9520, an increase of $360 at the top level and of $100 at the base rate. According to Lucas, this schedule would make the district competitive with surrounding districts, "putting us around, or slightly below the average."

Bike Accident Injures Two

Two Colma brothers received minor injuries Saturday when the bicycle they were riding collided with a car on El Camino Real at the entrance to Eternal home cemetery.

Officers said the car was driven by Ralph N. Davis of Hillsborough, assistant vice president of Wells Fargo bank.

The boys, Jeff Johnson, 11, and Denis, 8 of 571 D Street, Colma, were taken to Kaiser hospital for treatment of cuts and bruises.

13 Beauties To Vie For Dream Girl Title

Linda Berry
Miss South San Francisco

Who will be the 1963 Fair and Fiesta Dream Girl?

One of thirteen San Mateo County beauties will answer that question tomorrow night when Carol Ann Maraccini, last year's Dream Girl, crowns the winner of the most glamorous event on the county's Fiesta schedule.

Each contestant, chosen during the past six weeks to represent her own community in the Dream Girl pageant, will be judged on the basis of beauty of face and figure.

She will reign over the 1963 Fiesta August 2 through 10 and will appear in the twice-daily Fiesta Bowl shows. In addition to her duties as official hostess for the Fair, the Dream Girl will compete in the Maid of California contest August 29 in Sacramento.

Prizes for the Dream Girl include a glamour wardrobe from Macy's Hillsdale and a college scholarship fund awarded by the California Jockey Club.

The San Mateo County beauties who will assemble for selection of the county's Dream Girl are: Signe Yager, Miss Belmont; Sharon Kay Fisher, Miss Brisbane; Sheryll Riveness, Miss Burlingame; **Claudia Smith**, Miss Daly City; Joyce Passetti, Miss Half Moon Bay; Barbara Apgar, Miss Menlo-Atherton; Sandy Olson, Miss Millbrae; **Sandra Finley**, Miss Pacifica; Peggy Ament, Miss Peggy Ament, Miss Redwood City; Betsy Ross, Miss San Bruno; Donna Lynn Harding, Miss San Carlos; Louisa Borcherding, Miss San Mateo; and **Linda Berry**, Miss South San Francisco.

Summer School Offers "Tailor Made" Classes

The philosophy behind the Jefferson Elementary summer school seems to be based on the assumption that school is not only a place to go, but is a thing to do.

"Summer school is not something they have to do, John Belfort, summer school principal said," These kids are here, at least many of them are, because they choose to be. They select their own program, and we leave that program as plastic as possible."

Jefferson Elementary School District, on July first, opened the doors of six of its schools for the summer session, which will continue through July 26.

When the program began six years ago, 115 students were enrolled; this summer's roll counts 1915 students, 20% of whom attend parocial school during the regular school year. The staff includes 74 teachers, two Principals, John Belfort and John Richard, and a consultant, Len Herbst. The youngsters' day is four hours long, divided into three 70 minute class periods, the program being divided into three seperate parts; Developmental, Enrichment, and Speech Clinic. Strict limits on the size of each class are maintained, the above classes containing 15, 25 and six students, respectively.

A developmental class in reading, taught at Colma by Mrs. Dorothy Schnieder finds a circle of second graders seated in a circle, on the floor listening to a reading. Around the room are drawings, all done by the pupils, depicting the sundry creatures and heros that populate their readings. "Their imaginations are turned loose on paper, "John Belfort said." They are still quite uninhibited; we try to let them stay that way."

Miss Rosalie Zarzana, who teaches Colma's homemaking course began the first day by suggesting the students attempt aprons—the class suggested shifts. Monday morning found patterns for shifts papering the room.

There is an enrichment class called creative writing, taught by Ed Mosconi. Sixth and seventh graders were listening to a discourse on the music they had just heard-a selection from the Peer Gynt Suite, by Grieg. The atmosphere is singularly informal in this classroom, as in all of them.

Ron Madariaga's class, in General science, was watching a film on fossils, having just seen another film on Paleontology — "which fascinated them." In one corner of the room was a single cylinder engine that had been completely torn down by several

Dognapper Nabs Poodle

On the fourth of July a beige poodle puppy wandered away from the home of his newly-acquired masters, the William McGraths of 11 Westfield drive, in Westlake. The McGrath's young son, Billy, had been playing with the dog in the yard.

The dog is an expensive pet, according to Mrs. William McGrath. "We paid $50.00 for him and the papers—and Billy just loves him."

They advertised widely in the San Francisco dailies, and Al Collins of KSFO devoted many minutes of free aid time to describing the lost poodle. Even the milkman promised to look for the dog along his delivery route.

Last Friday all this searching brought a phone call, "from a lady who wouldn't give her name." The caller told Mrs. Williams, "We've found your dog, but you don't take care of him so we're not going to give him back." The dognapper claimed they already owned two dogs, and therefore know all there is to know about french poodles. This justifies, said the caller, their keeping the dog.

If anyone has seen or knows the whereabouts of this poodle puppy, a call to the Williams home, BA 1-4024, will be greatly appreciated. And Billy will be very happy, even if he can't answer a phone.

Romance Ends With Murder

An interracial romance that lasted 14 months between a 14 year old white girl and a 21 year old negro ended in murder last Friday. Carol Ann Melgren of 74 Lobos St., San Francisco was slashed across the throat with a pocket knife wielded by Connie Eames of 1006 Hanover St., Daly City.

Eames, who was described by the victim's mother as "almost a part of the family" and who had been a schoolmate of one of Carol Ann's older brothers at James Lick High school, called the victim's mother just before noon and told her that "I just killed Carol."

The romance began to deteriorate when Carol told her mother last month that she did not "like Connie no more." About a week later Eames asked her if she still cared about him and she said that she did not.

Friday he called Carol at 763 Clayton Street, San Francisco, where she was baby sitting. Carol then called her mother, telling her that she was frightened, and that Connie has something to tell me and "wants to see the expression on my face."

Shortly thereafter Eames called Carols' mother.

Police, called by Mrs. Melgren, found him with the knife still in his hand.

Missing Chipmunk

Gary J. Citrino, of 6139 Mission Street, Daly City, reported to police Saturday that his pet chipmunk was missing from his cage located on the sun porch of the Citrino home.

The grey and brown chipmunk was last seen nibbling quietly in his cage at 11 o'clock, Saturday morning.

Kid Dog Show In Westlake

All youngsters in the Bay Area are invited to participate in a Kids' Dog Show sponsored jointly by the Westlake Shopping Center Merchants and the Ken-L-Ration division of the Quaker Oats Company. The event will start at 9 a.m. Saturday morning with registration of kids and dogs, with actual judging to begin at 10 a.m.

Five special divisions will make up the show. Prizes will be given for the largest dog, the smallest dog and the best trick dog. One of the funniest events will be for the best costumed dog. And there is even a prize for the dog with the longest tail. At the end of all the regular events the judges will select the Best Dog of the Show.

SHOVELING OUT debris from the Clara Poulos residence after house fire July 13 was Daly City fireman Herb Kessler. Mrs. Poulos was cooking with grease when the fire caught on to her clothing and spread throughout the house. She was treated for burns at Kaiser Hospital in South San Francisco.

Flaming Grease Burns Woman

A false alarm fire Saturday in Daly City, almost spelled disaster for Claire Poulos, 45, of 52 Monterey street, Daly City, who was burned by flaming grease.

Engine Companies 2, 5, and 1, were returning from a false alarm when the fire at the Poulos residence was reported at 2:45 p.m. The trucks were forced to drive an additional five blocks.

Mrs. Poulos was pulled from the house by fireman Herb Powell. Her housecoat was burned to her waist. She was taken to Kaiser Hospital where she was treated and sent home.

The fire apparently started while Mrs. Poulos was cooking with grease. She then went into the bedroom, catching it on fire, then to the living room where she collapsed.

Battallion Chief Wayne Alexander estimated the damage at $6,000 to the house and $4,000 to the contents. Captain John Roy suffered a lacerated hand and Fireman Paul DeNatale suffered from smoke inhallation.

Bedroom Fire

Boys playing with matches in the basement of 176 Acton street, caused a fire which resulted in an estimated $1000 damage to the building and $600 to contents, firemen reported.

Battalion Chief Wayne Alexander said boys were playing with fire and apparently caught fire to clothes in a closet. The fire swept into a downstairs bedroom.

St. Francis Square Plans Circus Days

There'll be "loads of fun for everyone" at St. Francis Square shopping center's "Circus Days" acording to Bill Schaefer, owner of St. Francis Heights Pharmacy in the center and president of the merchants association.

Schaefer stated that a circus program consisting of 10 amusement rides will be offered by the merchants starting next Wednesday, July 24, and will run through Sunday, July 29.

"We expect large crowds, good weather, and lots of activity when things get underway at noon next Wednesday. We are offering one-half price tickets in all stores, good on all rides. We have a free puppet show and a television personality will be on hand next Saturday to entertain the little ones. There'll be some real "hot" values in most stores, too stated Schaefer.

The rides, operated by Fun Fair Shows, Inc., are modern and safe in every respect. In addition to popular amusement type rides such as the Tilt-A-Whirl, Merry-Go-Round, Octopus and others, there will be a special Kiddie-Land section for the smaller children.

The Circus Days event will run from July 24 through July 29. Rides are open from noon daily.

St. Francis Square shopping center is located at Southgate and St. Francis Blv. in the St. Francis Heights section of Daly City.

Twirlers Folk Dancers

The Cayuga Twirlers Folk Dancers will honor their president Hector Luperini at their monthly folk dance party on July 27th. Mrs. Mary Luperini will be hostess and she invites all folk dancers to come and help her celebrate her husband's birthday.

Summer Classes

(Continued from Page 1)

members of the class. Each part had been examined, its function explained, during its dismantling.

On the chalk board was a list of various fields of science, beside which was the number of students interested in it. It was, as Belfort said, "a tailor made class."

In the Astronomy class, taught at Colma by Mrs. Iola McKeown, a series of slides were being reviewed while a fifth grader gravely read information pertaining to each picture. At the rear of the room several students were constructing a model of the solar system, with each model planet built to scale.

In each course the effort is made to give the individual student an opportunity to delve into his own interests, or to give the student a chance to find a subject of interest, and then receive basic instruction in that area.

That nearly 2000 students are enrolled, points to the fact that another approach to summertime education would more than difficult to justify.

Students Receive Scholarships

The University of California campus announced the award of 1963-64 scholarships to 757 undergraduates and entering students.

Recipients were chosen from nearly three times that many applicants, all with B average scholastic records or better. The awards were based on character, promise, leadership and financial need as well as on academic achievement.

An entering student must have at least a B average in his college preparatory courses to qualify for a University scholarship, and an enroled undergraduate must have at least a B average in his college studies.

The scholarships, averaging $500 each, were awarded to 656 students from California, with 212 cities and towns and 42 counties represented. Students from other states received 50 scholarships and those from abroad 51.

Scholarship recipients from this area include:

COLMA—Michael G. Hunter, 803 Maddux Dr., Elliott H. Wheeler Scholarship.

DALY CITY — Uliana M. Malaspina, 255 Los Olivos, Elliott H. Wheeler Scholarship.

Hit Bike Pilots!

No pilot would ever take an airplane off the ground without first checking it to see that all equipment is safe and in working order. This is a good rule for bike pilots to follow also.

Why not check your bike today to see that it has the equipment needed to make it safe.

Here's what you should have:

1. Horn or bell
2. Headlight visible at least 300 feet
3. Taillight or reflector which can be seen 500 feet behind
4. Rearview mirror
5. Kick stand
6. Carrier
7. Chain guard

County Charter In the UN

San Mateo County has been given a charter in the American Association for the United Nations.

This is first charter for a county in the U. S. Association goal is 1000 members by Oct. 24, anniversary of the U. N.

Daly City was one of 11 of 17 cities in the county which passed resolution asking formation of chapter.

Purpose of group is to promote better citizenship and understanding with the 109 other nations of the U. N.

New County Planner Is San Bruno Man

Supervisor James Fitzgerald Tuesday appointed Fred Coaten of 161 Serra Court, San Bruno, as a member of the San Mateo County Planning Commission. He was appointed by the Board of Supervisors following an interview.

He replaces Richard D. Armstrong of South San Francisco, who resigned last week under pressure of his own work. He is the owner of the Regal Manufacturing Company, San Francisco and has been a member of the San Bruno Planning Commission for 11 years.

TRAFFIC ACCIDENTS

Traffic accidents took the lives of 40,500 persons in the United States during 1962.

Smog Control Improving

Enforcement goals, established in December of last year for the Bay Area Air Pollution Control District, were exceeded by 46 percent when its fiscal year ended July 1, acording to reports submitted to the District's Board of Directors. During the first six months of 1963, the District's stepped-up enforcement program processed 65 percent of all compliances achieved since the regulation covering industrial and commercial sources of air pollution first became effective in 1961.

Under this regulation, the District has investigated more than 1,000 sources operations of which 186 were free of emissions and 809 have been corrected, placed on compliance schedules, or subjected to legal enforcement action. Because 531 of these cases were cleared up during the first half of 1963, results exceeded advance goals which projected 556 sources to be cleared up by July 1, 1963, as compared to 809 that now have been processed.

Before the end of 1963, all major Bay Area industrial sources of air pollution will be under compliance schedules the reports disclosed. "This accomplishment mostly has resulted because this Board of Directors insisted upon more intensive enforcement and made possible an increase of field inspectors from 7 to 19 without any change in the District's tax rate," Chief Administrative Officer D. J. Callaghan declared.

Home Rule Cities to Remain Pattern in S. F. Bay Area

Look to Switzerland, not New York, if you want an image of the Bay Area's governmental future, a study published by the University of California suggests.

In 20 to 30 years, according to T. J. Kent, Jr., professor of city and regional planning and a Berkeley city councilman, the people of the Bay Area will, like the Swiss, "have decided in favor of all-purpose, home rule cities."

"Also like the Swiss," Professor Kent adds, "they will have created a unified, limited-function federation of local governments, largely controlled by the cities, to handle area wide problems."

Despite its seeming appeal to "many responsible, thoughtful leaders of Bay Area business, labor and civic affairs," the New York City pattern—a single municipal government for eight million people—will and should be rejected, Professor Kent contends.

His study urges that the next step in the direction of limited regional government based on strong city home rule should be that which he and others have advocated since 1956: creation of a regional agency, modeled on the pollution control and transit districts, to do broad-brush, general planning of the Bay Area's physical development.

"Local political and civic leaders," he said, "will eventually have to set up, control, and finance a Bay Area regional plan-agency themselves. They will eventually, I believe, have to combine this agency with the existing air pollution control and regional rapid transit agencies.

"They will eventually have to add other regional agencies to these three—agencies to provide effectively for area-wide needs that simply cannot be met in any other way. Until these hard tasks are undertaken, all other efforts will be diversionary."

Professor Kent's study, "City and Regional Planning for the Metropolitan San Francisco Bay Area," was the fifth in a series on the Bay Area's future being published this year by the University's Institute of Governmental Studies with funds from the Franklin K. Lane Memorial Foundation.

Stanley Scott, assistant Institute Director, originated the project and is editor of the monographs. Copies of the current and previous papers may be ordered from the Institute at $1.50 each.

Russian Photo Exhibit Shown

The San Francisco showing of the USSR Salon Photographic Exhibit containing over 100 photos in color and black and white will be held the first three weeks in July. The exhibit will be at the Photography Center, Scott street, San Francisco. The general public is invited. Admission free.

The Northern California Council of Camera Clubs bring this first Soviet Exhibit to San Francisco from the Raven Gallery of Fine Arts in Detroit, Michigan. Backed by the U. S. State Department and sponsored by the Photographic Society of America, the Russian exhibit has drawn overflow crowds in all cities in which it has been exhibited since its opening last autumn in Washington, D. C.

The show is a dynamic display of photographs of the Russian people. It reflects the immensity and diversity of our cold war rival from the warmth of swirling dancers to bare stretches of industrial pipelines on the Soviet plain. This exchange offers outsiders a glimpse into countries they ordinarily would not see. Through exhibits of this type it is hoped to increase mutual understanding between the two countries.

Exhibit Hours: 3:30-7:00 p.m. Monday thru Friday. 1:00-5:00 p.m. Saturday and Sunday.

$62,825.22 Payment on Motor Vehicle License Fees

City and county treasuries throughout the State shared in an apportionment of $32,114,994 as their final allocation of motor vehicle license fee revenues for the six-month period which ended May 31.

State Controller Alan Cranston said San Mateo County's share was $454,008.03. Cities in this area received the following amounts:

Daly City received $62,825.22 net payment which reflected at $203,609 advance in April from the $266,434.22 apportionment. Colma share was $595.05 from a total apportionment of $2,523.05 for the period.

Cranston said the third and final apportionment brought to $135,953,384 the total amount distributed to cities and counties from this source during the 1962-63 fiscal year, compared with $123,578,653 the year before.

The money is allocated on a population basis, half the total going to the cities and half to the counties. The recent allocation amounted to $5.45 for each city resident and $4.32 for each county resident. Daly City's population was estimated at 52,800.

The population of cities, based on Department of Finance estimates, was fixed at 12,504,683, an increase of 539,715,717 was used for the counties' computation.

The Controller explained that the fees, because they take the place of a property tax on vehicles, may be used by the cities and counties for general purposes.

Daly City Growth to Bring Revenues

Daly City is due to enhance its position as the second largest city in San Mateo County with the annexation of the Bayshore Area.

At the present time Daly City's population is estimated by the state to be 52,800, some 1200 more than Redwood City and well behind San Mateo's 73,400.

However, with the annexation of Bayshore to be completed in a month, Daly City will jump to more than 56,000.

Of particular importance to city finances, aside from sales tax revenues, are apportionments from the state on the basis of population. Motor vehicle license fees are returned to the city on the basis of $5.45 for each city resident, 945 from last year. By law the 1960 federal census figure of

Water Bonds To Be Offered August 7

Sale of the first $100 million in general obligation bonds to finance the California Water Project will be held August 7, State Treasurer Bert A. Betts announced today.

Betts said bids will be opened that date at 10:00 a.m. in his State Capitol office at Sacramento.

"I am very optimistic that these first Water Bonds will be favorably received in the national bond market," the State Treasurer declared in announcing the sale.

The Water Bonds are the first segment of the $150 million authorized for futurs sale by the Water Resources Development Finance Committee last May 21. The bonds are part of the $1.75 billion Burns-Porter Act financing of the California Water Project, approved by the voters of the State two and one-half years ago.

Lansing In Basic At Fort Ord Center

U. S. Army Private James F. Lansing is presently undergoing basic Infantry training at the Fort Ord training center.

The eight week program consists of such vital military subjects as rifle marksmanship, Infantry tactics, first aid, military justice and the conservation and maximum ultilization of military supplies. Up on completion of his basic training, the soldier will go on to either advanced Infantry training or to one of the many Army specialist schools.

Lansing, 23, is the son of Mr. and Mrs. Fred Lansing Jr., 1013 S. Mayfair ave., Daly City, Calif. He graduated from University of California in 1963 with a bachelors degree, after graduating from Westmoor High School in 1958.

Fast Action in Rec Basketball

Fast and furious action featured first round action in the Daly City Recreation Department's play in the summer basketball league at the War Memorial and Westmoor High gyms.

In LONG division play, the Gunners barely nipped the outmanned Clodhoppers 38-35 behind the backcourt shooting of Dan Crowe and Ed Rickenbacher who scored 14 and 12 points respectively. Bill Jones' 17 points and Steve Willis' 10 points and high jumping rebounding was not enough as the Clodhoppers were forced to play with only four men.

At the Westmoor gym, the Rams behind a balanced attack totally submerged the Rascals 56-20 to complete LONG Division action. John Price's 17 points and fine back-court play, Capt. Bill Wuerghner's tough rebounding and 17 points, and red headed Jerry Donovan's 10 points were all that needed to tame the Rascals. Bill Wipprecht's points were tops for the Pacifica based five.

SHORT Division action saw only one league game with the Nats defeating the Breakers 38-15 at the hilltop gym. A fine, well balanced attack saw all five starters contributing to their team's victory. Greg Brenk led the Nats' scoring with 10 points. Roger Foss and Don Lippi each contributed 8 while Bob Langsam and John Heick chipped in with 6. Dale Telegan and Jim Varner each contributed 4 points in the Breakers' losing cause.

Practice games in both divisions saw the Clippers trounce the Celtics 69-31 behind the 14 point performances of Willie Mack, Willie Jones and Al Weaver. The Whalers defeated the Rangers 61-31 and the Knights defeated the Hawks in overtime 21-18 despite Lunn Hodges; 10 points output.

Thursday and Tuesday's games in the LONG Division see the Gunners facing the Celtics and the Whalers and Clippers at the War Memorial gym. While the Clodhoppers and Rascals and Gunners and Rangers square off at Westmoor on three respective nights. SHORT Division play sees the Half Pints and Challengers in a practice game Thursday at the War Memorial while the Linda Mars and Knights go in a practice tussel Thursday at Westmoor. League action finds the Knights and the Breakers in action Tuesday at Westmoor and the Challengers and Hawks Thursday at the War Memorial gym.

Tight Race In Midget Baseball

The PAL Cardinals and the OLM Leopards are still neck and neck in the big race in the National Division of the midget basebal league. OLM kept up their winning ways downing the PAL Indians 7-0 this week. The Birds had some close calls as the PAL Braves made them fight for a 1-0 win and they edged by the PAL Yankees in a 5-4 closie. It looks like the last game of the league will decide the race on July 18 when the Birds meet the Leopards at South Westlake.

The PAL Giants continue to lead the American Division of the midget league. In this week's action, they downed the Misracks club 5-1. Misracks figured to give them trouble but they were not impressed with Misracks' win over the Golds and Dons. OLPH Golds hold second place but they dropped one to Misracks 6-0 this week. The Holy Angels Lions are right on the Golds' trail and could tie it up with one win.

Rock Kubowitz's PAL Dodgers continue to play the part of the untouchables in the Intermediate League. It's a sure thing that they are home safe. Ben Franklin Press, Relish Bakery and the Bender Roofers are all tied up for second place.

George Pedroni's PAL Tigers smashed the challenge thrown up by the PAL Cubs in a 5-2 ball game this week. BYA Skyline hold second place in the junior league with an 11-5 record. There is little chance of their catching the Tigers' 13-1-1.

AUTOS TO JUNK HEAP

Automobiles in the United States, reports the National Automobile Club, are going to the junk heap at the annual rate of 4,500,000.

SLOT RACING COMES to Westlake: Shown above (right to left) are Greg McCarthy, 15; Larry Jacobs, 16; George Arabian, 11, and Steve Jacobs, 11, all of Daly City, who tried their hand at the slot racing track recently installed at King Norman's in the Westlake Shopping Center, while Humphrey, the bassett hound, and Jimmy Pinelli, his master, look on with King Norman and others. Slot racing is the fascinating new sport that is sweeping the nation and the new track at King Norman's will be open during regular store hours. Clubs and organizations may arrange to use the track for competitive meets by contacting King Norman. Many Bay Area groups have scheduled races at the new track and the public may attend or compete by calling PLaza 6-6655.

Saints Take Lead In Tri-City Baseball

Behind the three-hit pitching of Jim Weber, the San Francisco Saints nine has emerged as the leaders of the Tri-City Summer Baseball League sponsored by the Daly City Recreation Dept. The Excelsior district club defeated the Westmoor A C 4-1 in Sunday's featured game at Marchbanks Park. The two clubs met head on in the battle for 1st place. A timely bunt by Saint first sacker Jim Papalias and a well executed hit and run single by Frank Cutane led the Saints to victory. Frank Startinsky contributed three hits to the San Francisco club's attack. Westmoor A C hurler Mike Krnich was foiled in his attempt for a third straight victory and shutout by the timely hitting and fielding of the now undefeated Saints.

Moving into a second place tie with the Westmoor bunch, the Jefferson AC club behind the one-hit shutout pitching of George Egan defeated the Balieff Construction AC 4-0. Doubles by Dan Caffaretta and Jerry Benson and two singles by right fielder Kenny Smith drove in the runs needed for the Jefferson gang. Egan struck out four of the South City batters in posting his second shutout and victory of the year. Opposing pitcher Larry Sanchez was the only Balieff batter to garner a hit off the hard working Daly City sophomore.

The fourth round action this Sunday at Marchbanks features the battle for second place between the Westmoor AC and Jefferson AC clubs at 12:30. The Colma diamond will see the El Camino AC and Saints in action. Sunday's 3:00 game at Marchbanks will be the South Sunset AC and Balieff Construction battle.

Calm Violations Net DFG Warning

A recent rash of clam digging violations at Memorial State Beach in Alameda today brought a Department of Fish and Game warning that persons taking clams and other shellfish must have a fishing license and must observe bag and size-limit regulations.

DFG wardens have cited nine clam diggers in the past few days at Memorial State Park in Alameda. Among them, the nine violators had a total of 3,728 littleneck clams, or 3,278 over the legal limit of 50 clams apiece.

Also involved were charges of taking clams without an angling license, and of taking littleneck clams less than the 1½-inch minimum size limit.

SSF Playday This Friday

A day of varied activities and fun is planned for South San Francisco recreation department's city-wide playday and picnic this Friday, from 10 a. m. to 3:30 p.m. at Orange Memorial Park for the city's boys and girls.

There will be relay races, running races, novelty races, games and timed base running for boys and girls. There will be competition in such events as baseball and football throwing for distance and accuracy, basketball free shots, sacket skill games, girls volleyball accuracy serving, girls kickball kicking for distance and ping pong, checker pool, chess and checkers activities have been geared for competition in the various age groups with prizes being awarded to winners. There will also be kickball games for boys and girls 12 and under.

Extra special events will be noon-time entertainment by Siebecker recreation center, a Directors vs. Teenage All-Star softball game and a pie eating contest.

Pacifica Rec. Dept. Issues Year's Report

The Park Beach and Recreation department of Pacifica issued their annual report for the fiscal year ending June 30, last week.

Showing an increase of 16% in participation, the various programs, including aquatics, clubs, creative arts, dance sports, and playground attendance, had a total of 116,886 participants.

The commission, headed by Mrs. Bernard Hyman now has a department staff of 9 full time employees and between 40 and 70 part time and seasonal assistants, as well as approxmately 50 volunteer program ads. The departmet staff is under director Eldred E. Lokker.

Lions Sponsor Fishing Derby

The most successful fishing derby in the history of the Daly City Recreation Department took place at Lake Merced last Wednesday. One hundred and forty youngsters were the guests of the Recreation Department and the Daly City/Colma Lions Club at the annual derby. The sun was warm and the fun was contagious.

Children winning prizes donated by the Lions Club were Bruce Popi of Our Lady of Mercy playground, and Brenda Grieve of Jefferson Elementary for the largest fish caught at the outing. David Stahl, Garden Village; Chuck Caldarola, Our Lady of Mercy; Linda Hermerski, Jefferson Elementary; and Susan Thomas, Daniel Webster received prizes for runner-up positions.

No Fish License Tops F&G Cases

Inland fishing without a license topped all fish and game court cases prosecuted in California's central coast counties during the month of June, reports the Department of Fish and Game's San Francisco regional office.

All told, regional DFG wardens processed 257 cases through the courts during June, getting convictions in all but one. The results were $7,178.50 paid in fines, with probationary suspension of $660 in additional fines and 300 jail days.

John Fernades Starts Training

John F. Fernandes, aviation electrician's mate third class, USN, son of Mrs. Vincent Crisci of 560 Argyello blvd., Pacifica, Calif., recently reported to the Naval Air Station, Miramar, Calif., for maintenance training of the "Crusader" jet aircraft with Fighter Squadron 124.

YOUNG DEBONAIRE

RICHARD DWYER . . . Hollywood's gift to the ice skating world, again heads the masculine cast of Shipstads and Johnson Ice Follies. Dwyer is just fresh from a tour of duty with the 32nd Division at Fort Lewis, Wash. He will again be surrounded by his all-American glamour girls. The Ice Follies, the Show of Champions, is now playing at San Francisco's Winterland.

Serra Bowl News

Johnny Ellis led his Cost Plus team to a 4 - 0 sweep over the Johnny's Auto Supply five last Monday night in the summer PILOTS league. John started slowly with a 142 game but soon bounced back with a mighty 228 game and closed with a 183 effort for a fine 551 trio. Top score for the losers was John Mhaoney's 209 - 459 series. Another big winner was on the adjoining pair of lanes; Team No. 7 trimmed all 4 games from Western Carloading despite a 26 pin handicap giveaway. Rich Rancatore shot high for the lucky "7" with 209 - 538 while John Troupe did his best for the carloaders with a 208 - 544 tally.

The big money in Wednesday nights Scotch Doubles at Serra was won by Doug Peters and Lu Lucero with a 696 score. The most interesting news, however, was that Doug and Lu scored a rare "Dutch" 200 game midway in their series. This all the more amazing when you consider that in this tournament partners throw alternate balls!

Milt Boaz, 158 average bowler in the 810 SCRATCH league, helped his Flying Goose team to a 3 game victory over Ed Michaels Contractors last week with his strong 218 - 603 shooting. Art Michael paced the victims with a 506 effort.

The newly formed Jr.-Sr. SCRATCH league for boys on Thursday evenings at Serra is producing its share of top scores in the house lately. Dan Gadd blasted this loops best score to date last week with a towering 233 - 654 threesome. Other high rollers were Dan Hyman with 552 and Bob Doyle who tossed 207 and 511 in the hottest kind of competition — kids dowling in organized leagues.

Action is hot and heavy in day-time ladies' leagues this summer. Bette Weissman toppled 213 - 514 in the MORNING GLORIES league as her Mixed Up Foursome took a 2 - 1 decision from the Misfits team last Tuesday. In SUMMERETTES league action Roberta Lahtinen's 207 - 536 was high total as the Knockers Down swept 3 points from the Hits 'n Mrs. By the way — winter leagues start soon! If any of you readers happen to be gals looking to get in on the fun of league bowling just call Fred Hoffman at WYman 2-3444 to sign up early.

High series in the entire house this week was the terrific 650 shot by Gary Neil in the Tuesday 850 SCRATCH league. Gary put together games of 235, 192, and 223 as he paced Cristoni's Mobil Corner to a decisive 3 game win over Aetna Roofers led by Gary Gil with a 504 tally.

Two girls topped all the scoring in a pair of mixed leagues last week. Carol Fahey tumbled 214 in her 496 series in the Tuesday GIANTS MIXED 4's loop and Louise Yaquinto blasted 228 - 537 in the new KINGS and QUEENS summer league. Nice Going Girls!

It's SPARE TIME

Max Friedman became the newest member of the Westlake 600 Club as he topped the 99'ers Mixed Fives for the week with a 216 game and 608 series.

KSFO announcer Bob Hansen was on the right frequency last Wednesday as he rolled a 216 game and 574 series to lead the Westlake 838 Classic.

A third 216 high game brought top honors in the Sleepers League to Roy Garcia as he registered a 586 total for the evening.

The many merchants and businessmen who have contributed prizes to the current and past Daly City Police Athletic League Benefit Bowling Tournaments will be honored on "PAL Merchants Night" July 27. There will be bowling at 7:00 p.m., dancing at 9:00 p.m. and buffet at 11:00 p.m. The total cost of $3.00 will include a $1.00 donation to the Police Athletic League. Advance reservations may be made by calling Rick or Primo at PL 6-5777.

Emily Drago's 740 total gave her first prize in Monday afternoon's 3-6-9 Sweeper with Mary Miller taking second prize for her 715 series. Mystery prizes went to Evelyn Goldkuhl and Anita Del Campo.

As part of the Westlake Merchants "Pirate's Gold Chest" presentation, the Westlake Bowl will offer a Bonanza for weekend bowlers on Saturdays and Sundays, July 13, 14, 20, 27 and 27. All persons over eighteen years of age bowling on these days will receive a free chance on valuable merchandise prizes with the winners being drawn Saturday night, July 27.

The Westlake Knolls had a new leader last week as John Taylor led the field with a 557 series on a high game of 209.

Tops in the Tuesday morning Trio League was Doris Arnott who took both high game and high series honors with 182 and 508. Ethel Daly received a round of applause as she converted the 1-3-6-7 washout.

The Fifth Annual Daly City Police Athletic League Tournament continues to surpass last year's turnout. Last Wednesday morning found seventeen ladies from Bel Mateo Bowl on hand to help the youth program of Daly City. Honey Steele led the scoring with 593 followed by Pat Tuohy with 588.

Dave Vaughn carried the load in the Ball and Chain Mixed Fives League as he rolled a 215 game and 536 series.

Norma Johnson was the leading lady in the Wednesday Morning Trio as she bowled a 448 series with a high game of 158.

Stonestown Emporium leader of the week was Carol Meier with a 201 game and 484 series.

Lefthanders will have their "day in the sun" at Westlake from July 27 to September 1 as the First Annual Ora Swanson Southpaw Doubles and Singels will be underway.

Once again Bill Gregori topped the 815 Scratch League shooting a 198 game and 567 series.

Bob Rathman rolled a tremendous 265 game to top the Southgate Mixed Fives with a 569 series while June Tarczy led the ladies with a 161 game and 446 series.

Ben Angel took his spot as a league leader for the first time when he bowled a 231 game and 574 series to top the Country Club Handicap League.

Medical Self Help Volunteers Needed

More than 350 men and women in San Mateo county have volunteered to be instructors in the Medical Self Help Training Program which starts September 19 but more instructors are needed.

The Medical Self Help Training Program is an important new national plan designated to teach families essential health skills, ranging from hygiene and sanitation to emergency childbirth. Long Beach and San Jose at the city level have this program; now it has been stepped up to the county level with San Mateo as the pilot area. Application to the entire state is anticipated.

"We are delighted with the enthusiastic response at our half-way mark for the recruitment of instructors," said Mrs. Helen Lengfeld, chairman of the instructor training committe, "but we shall require a minimum of 600 instructors to get the program off to a successful start in every community."

Instructors are particularly needed from Daly City, Pacifica, South San Francisco, San Bruno, Colma and Millbrae, she added.

Mrs. Lengfeld explained that "no formal teaching experience is necessary to be an instructor. Each instructor is equipped with a complete training kit, which includes lesson booklets, film strips, projector and examinations. The classes are deliberately small — only 25 persons per course, so that we are able to keep an informal atmosphere while on a serious subject."

Nurses, physical education instructors, dentists, pharmacists, medical assistants, laboratory technicians, teachers, hygienists and other people in the allied professions are needed for this instruction work. People who have passed the American Red Cross first aid course are particularly encouraged to participate in this volunteer activity.

The period of instruction will take from five to eight two-hour sessions, depending upon the medical background of the instructor. When the regular courses for the public start in September, each course will last approximately two hours per night, one night per week for eight weeks, with class enrollment about 25 persons.

The lessons are not in outline but are complete in every way. The material may be read aloud to the class as printed in the manuals or it may be presented in similar form without changes in meaning.

"I've talked with some of the Long Beach project," said Mrs. Lengfeld, "and you'd be surprised that many who were a little hesitant about teaching found that it was an interesting and rewarding experience. In fact, to make the teaching easy, a number of the instructors practiced first on their husbands or wives, then on other members of the family before going to the regular class sessions."

Instructor sessions are conducted by medical doctors and are presently held in Community, Peninsula and Sequoia hospitals and in high schools.

People interested in becoming instructors should write or telephone Mrs. Helen Lengfeld, United Voluntary Services, 218 Tilton avenue, San Mateo (DIamond 3-3663).

Insulin was made available for general use in April 1963.

Dedicate Ocean Angling Access

Another public angling access project on the central California coast will be formally dedicated at two o'clock Saturday afternoon (July 13).

The site is at Greyhound Rock, off Highway 1, two miles south of the San Mateo-Santa Cruz County line or some 20 miles north of the city of San Cruz.

The recently completed project, including an access road parking area, walkways to the beach, and sanitary facilities, offers permanent public access to 1½ miles of ocean frontage.

The area is considered excellent for surf fishing, rock fishing, and abalone picking.

Local Teacher Selected for Program

Harold C. Highfill of 279 Prado drive, Daly City, business instructor at San Francisco State College, has been selected by San Francisco State College to participate in a special work experience program offered during summer session.

Arrangements for the unique program of teacher participation in office and retail sales experience were made by Dr. Russell Sicklebower and Dr. John H. Lin, Professor of Business at San Francisco State College.

The opportunity to perform the varied duties in modern business establishments is combined with evening classes at San Francisco State College. The evening sessions offer further opportunities to hear business executives discuss how work experience may be related to the school and the classroom activities of the teacher.

Mr. Highfill, one of the 30 business teachers from over the nation who is active in the program, is employed by the PG&E Co. in San Francisco.

As early as 1825, Congress provided for delivery of letters by private carrier.

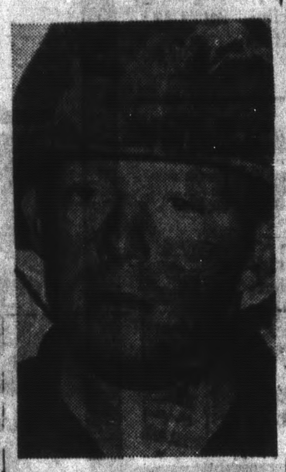
Portola, Hunter's Point Bow to Cards

The PAL Cardinals of Daly City won their second straight game in their try for the World Series 4-0 over the Portola Cubs as Steve Kirby pitched a no-hit, no-run game.

Steve struck out 16 batters and walked seven batters. Larry Belfradge hit a home run and a double for a perfect day at the plate and Smoky Morton had two for three.

In the early game the Cardinals defeated the Hunter's Point PALS 10-0. The Cardinals are in the Florida Division in the San Francisco Recreation League.

Final winners in the American League and the National League meet in the World Series in August.



Combat Training — Marine Private Donald A. Cathcart, Jr., son of Mr. and Mrs. D. A. Cathcart of 620 Telford ave., South San Francisco, Calif., completed individual combat training May 21 at Camp Pendleton, Calif. The four-week training period covers the basic skills required of Marines. The instruction includes tactical evaluation and field skills necessary in a combat situation. Under carefully selected instructors, Marines learn to take their places in small fighting units—such as the four-man fire team and the 14-man squad.

Milton Mum At Air National Guard Camp

A/2C Milton K. C. Mun, 870 Hillside Blvd., Apt. 5, Daly City completing two weeks summer encampment with the 129th Air Commando Group at Hayward Air National Guard Base.

His tour of duty is scheduled to extend through July 21st.

The 129th, under the command of Lt. Col. Charles W. Koenig, recently was one of four Air Guard units in the U. S. redesignated a "Commando" group. It will train under the guidance of USAF Special Air Warfare Center, Eglin AFB, Fla.

The training will consist of low-level navigation, strange-field operations, night and day air drops and unconventional warfare operations.

The USAF Special Air Warfare Center works closely with the Army's special warfare troops from Fort Bragg, N. C., to develop 'counter-insurgency' techinques.

The name "Commando" is derived from air commando units which flew "The Hump" in the China-Burma-India area during World War II.

The three other commando units are located in Charleston, W. Va., Baltimore, Md., and Providence, R. I.

WOMEN'S ACTIVITIES

From A Feminine Viewpoint...

By Mona Baker

Thirty-five gross of sparkling pink jewels, ten pounds of precious pink ostrich feathers on each gown—like a fairy princess is Daly City's lovely Judy Birke (Birkeneder) in her glamorous costume which she wears for the "Pink Champagne" number of Shipstads and Johnson Ice Follies now playing at Winterland in San Francisco. As one of the "Ice Folliettes" the talented ice skater performs in six numbers on the show wearing dramatic costumes all the way from a gay scarecrow outfit in "Patchbottoms' Party" to a spectacular costume of brilliant red, orange, yellow streamers in "Romany Rhapsody."

—★—

This is Judy's third year of touring with the famed Ice Follies appearing in cities from the west to the east coast and Canada. She graduated from Westmoor High School in 1961, immediately auditioned for the Ice Follies joining the show in September when they opened their season in Hollywood.

—★—

Skating since she was five years old, Judy studied at the Phylis and Harris Legg Studio on Ocean Avenue. Prior to joining the Follies she appeared as soloist in many skating shows around the Bay Area. One year she was "Snow Queen" at the Emporium's annual show and also portrayed "Jiminey Xmas" arriving by cable car with Santa Claus to officially open the holiday season in San Francisco.

—★—

By the way, if you plan to attend the Ice Follies and purchase one of their colorful souvenir programs you will see pictures of Judy throughout the book. Also, you'll find her name third on the list on page 20 which is titled "Skating Stars from the World Over." When the Ice Follies play in San Francisco Judy lives at home with her family at 251 Lakeshire Drive in Westlake.

A long-time resident of Westlake is our community leader this week who has given many years of service to PTA and other organizations. On the executive board of Westlake School for eight years, she is also past president of Benjamin Franklin and will serve on Westmoor and Vista Mar boards next year. She also was area chairman for the last school bond drive. She is now serving as recording secretary for the Jefferson school council. She has been active with Cub Scouts serving as Den Mother for a year. She was Daly City co-chairman of the very successful American Cancer Drive which just ended. She also serves on the American Cancer Society Council of San Mateo County.

—★—

We salute Marian Donovan as our community leader of the week! The Donovan family, husband Kevin, and children Gail (freshman at Westmoor) and sons, Kevin and John (attend Vista Mar School) live at 84 Westfield Avenue in Westlake.

Help, help, help — your used clothing (cleaned and in good condition) is needed for the "Still Stylish Shop," 2404 California, staffed by local girls from the new North Peninsula Circle of the Florence Crittenton Home. The shop is maintained on a year-round basis to raise funds for the Home. Temporarily closed for the next couple of weeks for reorganization, the shop will reopen in August with a fresh stock.

At a recent indoctrination meeting fifteen local women signed up to help out at the shop. Betty Vanham and Phylis Odenthal are co-chairmen and they will be assisted by Peggy Crandall, Sylvia Friedman, Jean Funai, Gloria George, Kay Klebow, Carol Hutchins, Millie Ingalls, Jacqueline Kleutsch, Winifred Morgan, Dorothy Orlich, Doris Plant, Roz Smice, Lee Stringer, Marjorie Van Holk and Frances Windhurst.

Driver Tired? Plan For Quiet-Kid Travel

By Bunny Gillespie

Vacation touring with the family can be the most wonderful time of your year, or the worst.

If your planning only goes as far as throwing your children and a few duds into the family car and taking off for parts unknown, you have only yourself and your spouse to blame for a miserable holiday.

A world of vacation fun awaits those who, as the saying goes, Plan Ahead.

Our own Daly City Library is well stocked with books offering literally thousands of suggestions which could aid you in making your trip truly enjoyable, be it an overnight jaunt or a really extended tour.

Getting along with your children at home is one thing, and being enclosed in the confines of an automobile for days on end is another.

Last week we wrote of family game fun while on the road, but for those times when quiet is demanded in the younger set section how about some quiet play activities that may be indulged in with a minimum of conversation, or none at all?

If yours is a lone child, be assured that he will no more become a hermit or have his little id permanently injured by periods of solitary play in the car than at home.

Color books and crayons, simple games and a few favorite toys are always worth the packing space, but have you tried taking along a supply of scratch paper, blunt scissors (the plastic ones are good) and some paper goods such as plates, scotch tape, bags, paper clips and small cereal boxes?

Such materials are usually available at home and well worth the gathering for road-time craft activities.

Litter Bags

As a prelude to artistic impulses, have each youngster crayon designs on a large paper bag to hold candy wrappers, nose tissues, craft cuttings, fruit peelings, etc. These colorful litter bags can be emptied and reused and the child will know that he's a real help to traveling tidiness.

Stationery

If notes to home are in your planning, have the children decorate stationery, thereby creating their own pictorial version of the trip.

Wouldn't grandma love a crayoned sketch of the lake? Better than any post card, and a note from you on the reverse side completes the evidence of family thoughts.

ORT Picnic This Sunday

Central Peninsula Chapter of Women's American ORT (Organization for Rehibilitation Through Training) will hold its annual family picnic Sunday at Adobe Creek Lodge.

Barbecue pits, swimming and other recreation facilities will be available.

A special section has been set aside for members, their families and friends. The committee is planning a wide variety of games for which prizes will be awarded.

AAUW Group Slates Talk On Missions

A talk on the California missions by J. A. Casoly will be featured at the July 24 meeting of the Modern Living Group of the San Francisco branch of the American Association of University Women.

Casoly, a native son and public relations representative for the Southern Pacific Railroad, has traveled extensively throughout California, interviewing old-time residents and doing research on the missions. His talk will be illustrated with slides. Mrs. Fred Mizar will introduce the speaker.

The meeting will be held at 8 p. m. at the new home of Mrs. Allen Gamson, 55 Chumasero drive. Co-hostesses are Mrs. Glorya Lathlean and Mrs. Carol Hutchinson. Refreshments will be served.

Members and prospective members are cordially invited. Contact Mrs. Alida Ferber at SE 1-1753 for reservations.

At a recent meeting of the group, which meets on the fourth Wednesday of each month, at 8 p. m., Mrs. Fred Mizar was elected general chairman; Dr. Victoria Young, program chairman, and Mrs. Alida Ferber, hospitality chairman.

Future programs will include a pot luck dinner, "Interior Decorations on a Low Budget," and making holiday decorations for children's hospital wards.

Cupid Catches Colma Teacher

MISS ROSALIE ZARZANA, to be married August 25.

The fragrance of orange blossoms and an awareness of Cupid's presence has invaded the cool green compound known as Colma Elementary School.

The institution's homemaking teacher, Miss Rosalie Zarzana, has revealed to friends that her wedding to Ronald D. Kenzy will take place August 25 at the Trinity Lutheran Church in Burlingame.

The young couple's engagement was officially announced by the bride-elect's parents, Mr. and Mrs. Gaspar Garzara.

The prospective benedict is the son of Mr. and Mrs. Eugene Kanzy of Scottsbluff, Neb., and attended the University of Los Angeles and Fresno State College.

Dimes were first minted in the year 1796.

"A LIVING GIFT" was presented to Mrs. Guido Casentini by her son, Dan (left), as her brother, Professor Bruno Menicucci arrived in Daly City. The dapper Italian artist and sculptor will return to his country in late September. (Photo by Ray Savage)

Colma Woman Greets Kin After 54 Years

By Bunny Gillespie

Memories of a long, long time ago were recounted Thursday evening as Mrs. Guido Casentini, 124 Mateo avenue, Colma, saw the fulfillment of one of her life-long ambitions when her brother, Professor Bruno Menicucci arrived from Italy via Trans-World Airlines.

The arrival of Professor Menicucci, ending a separation of siblings of some 54 years, brought about a reunion which had been the undertaking of Mrs. Casentini's son, Dan, who arranged the meeting as a "living gift to a worthy and courageous mother."

Professor Menicucci, who will be staying with his sister (known to her many friends as Susie) for the next several months, is a widely recognized artist and sculptor of northern Italy.

Left motherless at the tender age of 13 days, the young boy was cared for by his older sister until he was two years old. Then the future Mrs. Casentini left Italy and came to America, where she met and married Guido Casentini.

After a few years in Galveston, Tex., the young couple came to the West Coast and made their home in the Bay Area. With her family, she has lived in Daly City for more than 47 years. The late Guido Casentini was one of the pioneer merchants of northern San Mateo County.

Menicucci, who is a professor of art and sculpture for both children and adults at the Scuola Media Unificata (Unified High School) in the Pante a Moriano district of Lucca, Italy, came alone to visit his sister and her family. However, he is married and the father of two daughters, Filomena and Maria Gracia, and one son, Giuseppe.

Meeting the visitor at the San Francisco International Airport last week were Mr. Casentini, whose home is at 174 Edgemont drive in Daly City, and his daughter, Sandra, 17; Mrs. Oreste Orsi, whose husband had helped to sponsor the visit and who had met Professor Menicucci when he was visiting in Italy; Gino Menicucci of Nevada, the artist's brother, and Miss Angelena Casentini of Daly City.

Returning to the senior Mrs. Casentini's residence, the welcoming party joined other family members and friends, including Mrs. Dan Casentini, Mrs. Albert Casentini and her mother, Mrs. Amelia Donati, and Mrs. John Casentini and her daughter, Mrs. O. Maffei.

Rose Society Members Invite Public To Visit

The San Francisco Rose Society announced this week that the following members have invited the public to visit their gardens on Sunday, July 21, from 1 to 4 p. m.:

Alfred Stettler, 125 Howth street; Mrs. Adele Frickers, 180 Taraval street; Col. Arthur Lindborg, 3089 21st avenue; Mrs. Charles Cochran, 2131 31st avenue, and Julian Hargrove, 107 Village Lane in Colma.

Mrs. Olinsky To Serve ORT Again

Mrs. Raymond Olinsky of San Bruno will serve a second term as president of Central Peninsula Chapter of Women's American ORT (Organization for Rehabilitation Through Training) for the year 1963-64. Assisting Mrs. Olinsky will be the following: Mrs. Bernard Abram, Mrs. Bernard Davis and Mrs. Stewart Feldstein, vice presidents; Mrs. Arthur Glick, Mrs. Ruben Kesler, Mrs. William Kurtz and Mrs. Albert Montiel, secretaries; Mrs. Bert Phillips, treasurer; Mrs. Jerome Karp, historian, and Mrs. Robert Mendelson, auditor.

Meetings are held on the fourth Thursday of each month. Mrs. Abram, membership chairman, extends an invitation to all interested women living in the Westlake to San Mateo areas.

For further information, call Mrs. Abrams at JU 8-0576 or call Mrs. Jerome Karp at PL 6-3262.

ORT is one of the oldest Jewish organizations in existence. It is the largest private vocational training organization in the world and is partially subsidized by the government of every country where ORT installations are located.

Bowley To Head New AAUW Board

Mrs. D. Gould Bowley has been elected president of the San Francisco branch of the American Association of University Women.

Wife of D. Gould Bowley, an agriculturist with headquarters in San Francisco, Mrs. Bowley is a native San Franciscan and received her B. A. degree from the University of California. One of her first duties was to attend, as chairman of the San Francisco branch, the national convention of the association which recently convened in Denver.

Other officers for the 1963-64 season include Mrs. Diana Britton, first vice president; Mrs. Norman H. Lueck, second vice president and program chairman; Mrs. V. Carboni, treasurer; Miss Lyn Ward, recording secretary, and Mrs. Alan Silvius, corresponding secretary.

Also elected were Mrs. Lewis Bonney, editing secretary; Miss Ida Vandenberg, auditor; Dr. Iona Logie, historian; Mrs. L. B. Miller, hospitality chairman, and Miss Helen Heskins, publicity chairman.

HONEYMOONING in Carmel are the recently-wed Mr. and Mrs. John Vincent Sojda. The bride is the former Miss Helen Louise Goldstein, daughter of Mr. and Mrs. Louis Goldstein. (Photo by Joseph's Photography)

Helen Goldstein Weds John Sojda

Twin arrangements of white stock decorated the worship center while nosegays of similar flowers adorned the front pews of the Church of the Epiphany for the recent marriage ceremony which united Helen Louise Goldstein and John Vincent Sojda.

The bride is the daughter of Mr. and Mrs. Louis Goldstein of 947 Edinburgh street and her husband is the son of Mr. and Mrs. Pete Sojda of 621 Velasco street, San Francisco.

For the afternoon nuptials, Helen wore a white moire taffeta sheath gown, fashioned with an over drape, long sleeves which terminated in points over her hands and a scooped neckline. Her Parisian shoulder-length illusion veil was secured by a single teardrop headpiece and she carried an arrangement of stephanotis which was centered with a lily-of-the-valley corsage.

Brenda Joyce Goldstein was her sister's maid of honor and Mrs. Luigi (Barbara) Cervelli served as a bridesmaid with Mrs. Tom (Joan) Pandora.

Brenda wore a street-length magenta shantung sheath, styled with an over drape, and the other feminine attendants wore lighter frocks featuring back bows. All three carried bouquets of orchids.

Tom Pandora was his friend's best man and Luigi Carvelli with Chester Banks, was in charge of seating guests.

For the event, Mrs. Goldstein, the bride's mother, donned an avacado green metallic sheath, with matching coat, and Mrs. Sojda, the groom's mother, wore a sheath of bone crepe.

Aproximately 175 guests greeted the newlyweds at the reception held at the House of Noe following the ceremony.

As the young couple departed for their honeymoon, which took them to Carmel and Northern California, the new Mrs. Sojda wore a melon-colored suit.

Helen, who was graduated from Balboa High School, is the grand-daughter of Mr. and Mrs. Joseph Silva and Mrs. Francis O'Malley of S.F. John is the grandson of Mrs. Ward and Mrs. Anna Sojda, also of S.F. He s the brother of Mrs. Albert Keb of S.F.

The benedict, an ardent golfer, graduated from Jefferson Union High School and served as a Chief Petty Officer in the United States Navy.

The couple will live in San Francisco when they complete their wedding trip.

ST. MARTIN'S CHURCH was the setting for the recent marriage of Michelle Rossi and Charles Eugene Culley, who were members of the 1962 graduating class at Westmoor High School. The young couple plan to reside in a Westlake apartment after returning from a honeymoon to Grand Canyon. (Photo by Joseph's Photography.)

WHAT'S DOING

T. P. Coyne, your Telephone Manager in Daly City

One item in your house contains so many substances it would make a chemist blink. Gold, tin, and anthracite coal, for instance. Sound like quite a mixture? Then add some nylon, rubber and steel. And a bit of copper, cotton and silver, too. Actually, these are just a few of over 40 raw materials used to make the 475 parts of your telephone. Makes the phone one of the most intricate appliances in your house. Yet one of the most reliable.

Now that you can dial your own Long Distance calls with Direct Distance Dialing, Area Codes are a good thing to keep in mind. Here's how they work. The nation, like California, is divided into calling areas, each with its own Area Code. When you dial outside this area, the three-numeral code directs you to the area you're calling. Area Codes are the key to this fast and convenient Long Distance service.

Heard this story about the sheriff of a small town who is also its veterinarian? Late one night he got a frantic phone call. "Do you want me as sheriff or vet?" he asked. "Both", came the reply. "We can't get our dog's mouth open, and there's a burglar in it!" (Just goes to show that the telephone can sure be a help in unusual situations.)

If you're driving through wooded areas this summer, you'll see plenty of Smokey the Bear signs, for he's hard at work reminding everyone to be extra careful with cigarettes, matches and campfires. With your help, Smokey will continue to do a fine job of preserving our country's forests.

PG&E is getting a refund-and passing it on to you!

Who gets it? If you were a PG&E residential gas customer during May, 1963, you'll receive a refund in the form of a credit on your August bill. (If you've moved since May, your refund *won't* appear on your bill. Instead, we'll mail a check to the closing bill address you gave us.)

How much? We hate to keep you in suspense, but you'll have to wait and see your August bill. Under a plan authorized by the California Public Utilities Commission, refunds are based on the amount of natural gas used during the four months, February through May 1963. The more you used, the larger your refund.

Why a refund? Because *we're* getting one. The Federal Power Commission held we were charged too much by a supplier, El Paso Natural Gas Company. We're getting back $15,040,735.38—and passing every penny on to our 1.8 million natural gas customers.

How about commercial and industrial users? The majority of commercial customers will receive their refunds in the form of a credit on their August bill, determined in the same manner as for our residential customers. The larger commercial customers (those using more than 400,000 cubic feet of natural gas during February through May 1963) and all industrial customers will receive refund checks based on the amount of natural gas used between May 10, 1955 and December 31, 1957 in accordance with the plan authorized by the California Public Utilities Commission.

Saw Burns, Family Routed By Smoke

A cigaret smoldering in a box of miscellaneous items and camping equipment started a fire July 9 at 42 Woodland that caused about $75 damage to an electric saw.

The fire, which occured at the J. Pollet residence, smoked up the entire house and routed the family into the street.

San Francisco's civic opera house has a seating capacity of 3,285.

"MISS SAN FRANCISCO OF 1962," also known as Miss Sally Ann Hamberlin, will be among the models featured in the forthcoming Union Square Fashion Show.

MR. AND MRS. WILLIAM KRUEGER

Krueger-Golladay Vows Are Taken

The Seventh Avenue Presbyterian Church in San Francisco was the setting for the wedding of Barbara Sue Golladay and William LeRoy Krueger on July 6, with the Reverend H. Norman Roddick performing the afternoon nuptials.

The bride, daughter of Mr. and Mrs. Ernest R. Golladay of 544 87th St., Colma, was escorted to the altar by her father. Her satin peau de soie gown was fashioned with a portrait neckline, long sleeves coming to points over the wrists, and a chapel train. Her finger tip silk illusion veil was held in place by a crown of mother of pearl orange blossoms (the crown was attached to thebride's mother's wedding veil 25 years ago.) The bride carried a cascade bouquet of white stock, white roses, and ivy.

The attendents, who were identically gowned in aqua satin street length gowns patterned after the bride's gown, included Nancy Lebermann, the bride's sister, as Matron of Honor; Judith Krueger and Cynthia Krueger, sisters of the groom, as bridesmaids. as bridesmaids. Their bouquets were white stock and baby pink roses.

Reed Price was the best man for the groom, who is the son of Mr. and Mrs. LeRoy M. Krueger of 842 Cherrystone Drive, Los Gatos; and the ushers were Kenneth Lebermann and Thomas Doak.

At the reception for approximately 150 guests in the church recreation room, the bride's mother received in a sapphire blue ribbon knit suit sheath with lace overtop and matching accessories. Both ladies pinned on white rose corsages.

Honored guests from out-of-town were Mrs. N. C. Rindsig of Spencer, Iowa, grandmother of the bride; and Mr. and Mrs. Otto Krueger and son of Woodstock, Illinois, relatives of the groom.

Following a honeymoon trip, to San Simeon and Yosemite the couple will make their home in Palo Alto.

The newlyweds both graduated from Westmood High School in Daly City; the groom atteneded San Francisco City College and is employed as an electronics technician at Litton Industries in San Carlos.

The new Mrs. Krueger attends San Francisco State College as a senior, majoring in Home Economics Education.

For Collectors

Are the leaves, shells and rocks you gather just more to travel with?

Rather than carry home leafy souvenirs, which all too often dry and crumble into a mess, have the tots make leaf prints.

Fold a piece of paper, place a green leaf, or several of them, inside and rest the folder on a flat surface. As the youngster rubs the paper gently with crayon over the foliage, the outline and highlights of the leaves will appear. Labeled, these become lasting and artistic trip mementos.

Rock and shell hounds might enjoy collecting, but an extended trip is hardly the time to be loading up just for the sake of collection volume.

Have your collectors select unusually shaped rocks to transform into gifts for those at home. A face crayoned onto a clean, hand-rubbed rock makes a cute paperweight.

Shells of the larger variety can hold anything from wrapped candy to bobby pins. Use smaller shells and rocks to decorate pill boxes, make jewelry or enhance the aquarium.

Pebble Pix

Let the child drop several pebbles onto a sheet of paper, and mark where they land with a dot. Repeat three times and connect the dots to form a picture.

Blind Drawing

Have kids close eyes, with paper on lap and a crayon in hand.

Keeping eyes closed, they each draw a scene, taking turns to suggest what is to be pictured. Four or five objects per picture produce wonderfully amazing results.

Puppets

Here's where those small cereal boxes come in handy.

Using a single portion cereal box, cut across the middle and fold backwards. Bring ends together. Top and bottom of box become the face and the crack formed by folding is the puppet's mouth.

Paper bag puppets start with a small (peanut size) bag. Use the overlap as the puppet's head and color the rest for the body. Put fingers into overlap and open and close hand to make puppet talk. Ears, arms, elephant trunks may be taped on.

For finger puppets, draw front view of a figure, about four inches wide, cut out the circles, insert finger in each and puppets gain legs.

Girl Stuff

Paper plates become gay crayoned sun hats for traveling misses. A hair ribbon not otherwise in use makes a good under-the-chin tie.

Mom might like one also while watching pool paddlers.

Doodles

Here's something that appeals to all ages, and can be as simple or as complex as the doodler wishes.

Several curved, straight or angled lines are drawn on paper (with eyes closed if playing alone, by other player if more than one.)

Doodler must use all lines in creating picture of given subject.

Using initials to form pictures is a challenge, as is the use of pinholes to give line directions.

Fiddling

This ambiguous heading encompasses some time-fillers for people who have tried all of the aforementioned. We feel the names are explanatory: pipe cleaners and paper clip figures, sculptures and chains; paper chains or folding; map marking, diary keeping, whittling and, if all else fails, dozing!

Next week: Family fun at the mountains or shore, the fourth of a series.

Recreation Zoo Outing Last Week

Last Thursday and Friday 300 boys and girls from the Daly City playgrounds traveled to Fleishhacker Zoo. Under the supervision of recreation leaders, the children enjoyed many physical and emotional experiences on the annual outing. Some of the children and leaders were allowed to feed the giraffes, an experience long remembered. As one of the leaders exclaimed, "if you haven't been kissed by a giraffe, you haven't lived."

Animals, Storyland and amusement rides were only a few of the fun filled attractions accounting for the numerous tales carried home by the youngsters.

Studies Begun In 1956

Jeff Destruction: A Necessary Step

Jefferson High School, scheduled to be completely razed by August 21, was the subject of a maze of reports, statistics and studied alternatives before the decision to rebuild rather than remodel was a reality.

In 1956, J. E. Kennedy, Daly City fire chief, in cooperation with the state fire marshal, surveyed the building and found that fire safety needed improvement. At the same time, state school planning representatives met with Edward Morgan, district superintendent, recommending that only enough work be done on Jefferson to make it safe for students and if the work became too expensive to close any unsafe parts.

While this work was being done and trustees were studying the problem, the building was damaged by the March 22, 1957, earthquake. Since the building was constructed prior to the Field Act which required public buildings to be earthquake proof, the trustees ordered a study of its soundness, asking the state division of school planning to help make a structural survey.

The architects, school administrators, trustees and state education representatives met many times during the next three years.

In early 1960, a representative of the county superintendent, though approving plans for the rehabilitation of Jefferson, wrote: "It would seem to us that the best interests of the taxpayers and school district could better be served by demolition and complete construction of new facilities."

The district employed the architectural firm of Knorr-Elliot to determine whether renovation or new construction would be most economical.

They instructed LeRoy Construction Services to prepare an itemized list of these costs. On the basis of the lengthy report of the LeRoy Company, obtained from actual plans for remodeling, they estimated the cost of remodeling the main building at $643,242, and the cost of new comparable facilities at $637,025.

The trustees determined that although it would be more economical to build a new classroom building, some of the shops and the gym could be remodeled. Money from the state was made available and construction began in the spring of 1962.

The new classroom building is now complete, the gymnasium has been remodeled and the people of the community enjoy a new landmark as well as a memory.

DISAPPEARING—The entire north wing (and the unpictured south wing) of Jefferson High School has crumbled before the wrecking crews. The center portion of the building is slated for demolition early next week.

Rodeo Day for Junior Teen Club

Thursday is Rodeo Day for members of the Casualier Junior Teen Club and their guests as they will journey to the California Rodeo at Salinas.

Cost of the trip is $2.00 which includes the price of admission, transportation and insurance. Youngsters are asked to bring a bag lunch or money to buy it. The bus will leave the War Memorial Community Center at 10:00 a.m. with an approximate return at 7:30 p.m.

Featured on the program will be calf roping, bronco busting, braham bull riding, as well as all of the other exciting and colorful action of the biggest rodeo held in California.

Place is still available on the trip for all 7th and 8th grade youngsters.

WW I Barracks Member Drive Is Underway

Melvin Dillingham, 1057 Brunswick street, commander Daly City Barracks 1620 Veterans of World War I, is engaged in active drive for new members and to provoke interest on the part of old members in order to make Daly City Barracks one of the more attractive barracks in the state.

There are 242 barracks in California with a membership of more than 25,000. The purpose of the organization is to look after the interests of the World War I veteran and his widow. To renew old friendships and furnish social events as well as seek legislation for the benefit of the older veterans. Commander Dillingham is planning some social activity for the barracks members.

A new pension bill H. R. 2332 has been introduced in Congress. If passed, it would give the World War I veterans some security during their declining years. World War I veterans interested in the organization may contact Commander Dillingham at his home, or if they wish a copy of H. R. 2332 and the National News, write to Veterans of World War I, 40 G Street, N. E. Washington 2, D. C.

MP TRAINING — Army Pvt. Roy J. Cortez, whose brother, M. J. Cortez, resides at 1138 Brunswick street, Daly City, has completed eight weeks of military police training at the U. S. Army Training Center at Fort Gordon, Ga. During the course, Cortez received instruction in such subjects as civil and military law, traffic control, map reading, prisoner-of-war control and self defense. The 23-year-old soldier entered the Army last January and completed his basic training at Fort Ord. Cortez was employed by the Wells Manufacturing Company in San Francisco before entering the service.

And Away We Go

Vacation season is a great time to load the family into the car and take a trip to some of the scenic and historic spots to be found in every state.

It is estimated that nearly 100 million Americans will take 230 million vacation or pleasure trips on the nation's highways this year.

While boning up on history so they can answer the kids questions, Mom and Dad might also consider a few other historical facts.

For example, the gasoline that send them on their way is not only greatly superior to the fuel sold back in the 1920's — it is also cheaper!

When Calvin Coolidge, Charles A. Lindbergh and Gene Tunney dominated America's headlines, gasoline did not pack nearly as much power per gallon as today's fuel.

The average octane rating of regular grade gasoline in 1925 was around 55. Today, this rating — one of the important measures of fuel quality — is up to 93, as a result of scientific research and improved technology.

As for price, today's gasoline, before taxes, costs the motorist three per cent less than the fuel of 40 years ago. But while the cost of the fuel dropped, the taxes on gasoline increased 1030 per cent. Federal, state and local taxes on gasoline now claim one out of every $3 paid in at the pump. Since the first gasoline tax was levied in 1919, American motorists have paid 76.3 billion dollars in gasoline taxes.

Another fact for the family to remember is that all over America thousands of courteous service station attendants stand ready to help vacation travelers get the most out of their trips by helping them to travel in comfort and safety.

Eclipse Can Cause Great Eye Damage

Watching an eclipse of the sun, such as the one of July 20, can cause permanent eye damage if the viewer is not careful.

This warning was voiced recently by a leading optometrist at the University of California at Berkeley. Children run the greatest risk, he said, because their eyes are more sensitive than an adult's.

Watching the sun's eclipse without proper protection may produce serious retinal burns, permanently damaging the eyes and reducing vision," said Henry B. Peters, director of clinics and associate professor of optometry at Berkeley.

Sunglasses are inadequate protection, he said. Of all devices, the simplest and most accessible is a piece of photographic film.

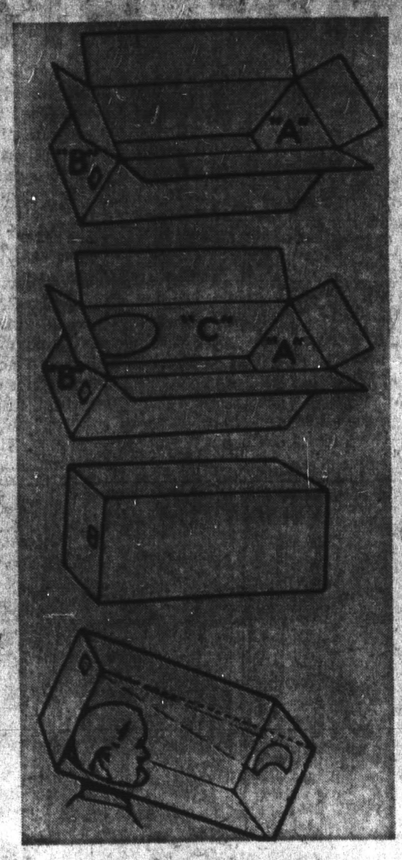
"This should be overexposed on its entire surface by unrolling it in the sun and then having it developed," he explained. "The film will then be dark enough for the eclipse to be viewed through it without eye damage."

However, he cautioned, even with the film, the observer should not watch the eclipse for extended periods of time.

For observers in Northern California, the eclipse will cover about one-third of the sun. It will start at 12:36 p.m. and last a little more than two hours. Thousands are expected to watch it, many of them children out of school for the summer.

A similar eclipse in Australia in 1959 caused permanent eye damage to 170 observers, mostly school children, Dr. Peters noted.

A small blind spot developes in the eye as a result of a retinal burn, he explained. Although a person can see well enough to get around, his vision is drastically reduced.



INSTRUCTIONS to make a sunscope to view the eclipse: Step 1—Using a large oblong box, cover one of the small ends with white paper. Step 2—Cut a small hole in the opposite small end of the carton. Cover hole with aluminum foil. Step 3—Cut hole larger than head size on long side of carton, at least 14 inches from the white paper. Step 4—Close all four sides of carton together and tape together to shut out light.

A PRETTY WAY to look pretty is what Diana Mahoney of 1306 Southgate discovered at Nora's Beauty Salon in St. Francis Shopping Center. Jolene Hix sets a good example herself.

Letters to The Editor

Dear Mr Harrah:

Speaking for the Board of Trustees, staff and students, I take this opportunity to thank you for the interest and consideration you extended to our high school district during the 1962-63 school year.

We are most grateful and hope that we will continue to warrant your confidence during the coming years.

Sincerly yours,
Edward D. Morgan

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

The Raid . . .

You synchronize your watches just like they do in the movies. Instructions and individual assignments are repeated once again. Five teams of men go to their respective locations to await the time to start.

You go to your location and wait. The time goes by slowly. You check the equipment again. Then the time arrives. The three of you on this one team proceed to the door of the apartment.

At the precise moment stipulated you knock, demand admittance, identify yourself, and then you legally enter. There is a felony transpiring on the other side of the door and you are going to investigate and arrest. The felony is known as section 337a of the Penal Code of the State of California, and is more commonly termed "bookmaking."

Bookmaking means the taking of illegal bets on ball games and horse races, usually over the telephone.

So you walk in. The bookmaker has the phone to his ear. You gently remove the instrument from his hand and place it in its cradle. The number one man then seats himself at the table and commences to record bets that are called in over the phone.

The number two man formally arrests the bookie and searches and handcuffs him. Then he seats him in the corner and commences his evidence search. There is plenty of it, like markers and scratch pads and racing forms. He lists the evidence but does not move it until the photographs are taken. This is done when the photographer (a Detective with a camera) arrives. This man goes from raid scene to raid scene and photographs all of the evidence and scenes.

Number three man walks in with the tape recorder. Quietly and quickly he sets it up and puts the phone attachment into place. Now when the phone rings the number one man turns the machine on. The ensuing conversation is recorded.

The photographs are taken and the bets are being taken. The bookie sits there disconsolately, referring all questions in the cadenced and rehearsed prefabrication: "Ask my attorney."

The Captain walks in, beaming. All five raids, including the three in this very building have scored. The prisoner bag is six, an operation is hamstrung, and much in the way of records has been seized.

Number two and three men take, box and label all evidence. The telephone is disconnected in the midst of a bet. The phone is evidence, too. Your prisoner is herded with the others up to the overcrowded, noisy police station. They are booked, fingerprinted, and mugged. They are allowed phone calls. They are placed in the jail.

Somebody puts up the one hundred fifty thousand dollars bail it takes to get all of the bookies out. It seems that they have a good friend.

Later on attorneys show up at the station. They want to utilize the rule of discovery. This means that they get to see the evidence that you have worked night and day to compile against the bookies. That's how it goes-you work to make your case and to compile the evidence - and they get to look at it for free.

But you don't mind very much. This law, largely unpopular, is always vigorously enforced in this city — the policeman has to do this in self defense, if for no other reason. Let's face it - bookies are just not good for a policeman's reputation.

Hiway Users Tax Brings $186,232 To County

Assemblyman Carl A. Britschgi and Leo J. Ryan announced today that San Mateo County received $186,222 as its share of highway users taxes distributed in June by State Controller Alan Cranston's office.

Statewide apportionments for the month totaled $87,979,609, compared with $87,072,261 distributed during the same month a year ago, Cranston said.

Of the total, $76,790,219 went into the State Highway Fund for expenditure on highways, $8,055,684 to the counties, and $3,133,706 to the State Highway Fund for cities.

The amount distributed was comprised of $30,083,578 from the gasoline tax, $55 million by transfer from the Motor Vehicle Fund (registration fees), $2,178,364 from the diesel fuel tax, $717,083 by transfer from the Motor Vehicle Transportation Tax Fund (truck tax) and the balance from miscellaneous sources.

Only 40 per cent of young pelicans survive to become mature birds.

Recreation Summer Program Is Varied

Reports from the playgrounds pour in as the Daly City Recreation Department continues its successful work. Now in its fifth week of the summer program, playground leaders and specialists are still producing interesting and varied activities for the youth of our city.

COLMA - Jack Campbell

Rod McCarthy and Matty Russo were the kickball stars at Colma last week. Ron Tafoya continues to lead in Colma's chess tournament. Strong challengers are Mike Jones, Tom Graves and Ralph Fornseca. Chess is lots of fun according to Larry Lowe and Carol Kennedy who are just learning the game. The older and more experienced players enjoy helping the younger ones.

Carl Sciandri was finally knocked out of first place in Carrom after a four week reign. The new champ is Gary Ceccato. Brian O'Shea moved from 10th place to 5th and looks like he'll give Gary trouble.

VITA GRANDE - Gerry Pedesta

A checkers tournament is going into its second week with Steve Davidson on the top of the ladder, Chris Jacobs second and David Lee third. Steve has shown much enthusiasm this week and is champ of the week in the carrom tournament for his age group 12-15.

Scrap material, needles and thread have inspired Pat Lubrand, Barbara Joseph, Yvette Ah Po, Patty Obringer and Eve Jones to sew doll clothes while Dayna Hooper worked on a watermellon seed necklace.

The week ended with some of the enthusiastic "regulars" participating in a very successful wienie roast which was held near the playground. Among those who filled up with hot dogs and toasted marshmallows were Kenny Gallehon, Lizzie Tafoya, Darcy Hooper, Dayna Hooper, Mike Damato, Toni Del Rosario, Mile del Rosario, Highie Loveless, Eve Jones, Yvette Ah Po, Rickey Micheletti, Danny O'Toole, Keigh Jacobs, Greg Gallehon, Mary Lyon, Carol Yamato, Jimmy Micheletti, Paul Gfoerer.

OLYMPIA-Suzanne Arnautou

Timed races were held around the playground as a result of Joey Borelli's birthday gift of a new watch. Some of those racing against the clock were Art Presotto, Becky Milam, Steve Patch, Steve Goggiano and Tom Mattuchi.

ABRAHAM LINCOLN - Marge Sinclair

At Abraham Lincon School last Thursday, playground participants made jewelry and key chains of pyrolace. Those taking part in the special project were Becky Vincent, Don Paquette, Dave Paulson, Tommy Johnson, Frank Isla, David Davita, Colleen Davita and others.

WOODROW WILSON - Chris Hanson

The summer recreation program is moving along at a very rapid pace this year and Woodrow Wilson's children are taking advantage of their opportunity to enjoy its benefits. The average week is filled with many activities. The week was completed with Ship Wreck Day at the playground by dressing as sailors and participating in the watermellon feed which followed.

WAR MEMORIAL - Bill Lawler

Kathy Bradshaw, Cheryl Helms and Sheila Craig were watching two gorillas performing at Fleishacker Zoo. At the end of the act, Sheila felt the gorillas needed a reward. "Why not throw this piece of paper lying at the rail," said Sheila. She threw in the folded piece of paper. Kathy nearly jumped in after the paper. Why? Her dollar spending money was inside. What happened to the money? Someone reported the gorilla at the refreshment stand buying lunch.

PAULINE BROWN - Bonnie Johnston

The children of Pauline Brown and the director join together to say farewell to Keith and Marc Holmes and to wish the best of everything at their new home in Walnut Creek.

MARCHBANKS PARK - Cathleen Otves

Monday Marchbanks Park had a marshmallow-wiener roast. It was a hot day for a fire but it didn't seem to cut down on the large quantity of marshmallows and wieners that were consumed. All participants decided that it was a success and plan to have another one in two weeks. It seemed to be a party of families. Among them were the Buckleys including Allen, Emmett, Kevin and T. J. There was the Lopez family with Barbara, Paul, Mike and David; the Weavers with Larry, Garry and Terry.

ADVANCED ARTS & CRAFTS - LaVerne Schwindt

An interesting specimen of lava rock was brought in by Ron Hacker of 464 Santa Barbara Avenue, Daly City to the Gem Stone Jewelry Class held at the War Memorial Community Center on Friday at 10:30 a.m. Ron is very proud of his find which he brought down from Placerville earlier this summer. He hasn't quite decided what to do with this huge rock so until something more than a doorstop could be made, the rock will be displayed in the Hacker garage.

Severance Pay Interpretation

J. F. Bollenbach, auditor in charge of the San Mateo audit district office, Department of Employment, today called attention to an interpretation of the law under which severance payments made by employers to workers leaving their employ will not constitute reportable wages or compensation for personal services.

Albert B. Tieburg, state director of employment, has ruled that any severance payment made by an employer to an employee, pursuant to a plan or system, normally is for the purpose of supplementing unemployment compensation benefits and should not be reported for unemployment and disability insurance purposes. If employers have reported severance payments in the past which would qualify as supplemental unemployment benefits, they may be entitled to a refund of contributions made on such amounts. Employers wth questions on this point should direct them to the Department's Audit Office at 272 East 19th ave. in San Mateo.

A disability insurance claimant or unemployment insurance claimant can receive severance pay and still be entitled to benefits. However, since severance pay is not considered as wages, it does not contribute to a base period in the computation of benefit awards. Claimants with questions on how severance affects their eligibility should inquire about it at the nearest unemployment insurance or disability insurance office.

Crittenton Group To View Giant Highlights

The San Francisco Giants "62 Highlights" film will be presented by the North County Florence Crittenton Home Circle on July 24 at 8 p. m. in the [illegible] room at Benjamin Franklin School.

The Florence Crittenton Circle is made up of 65 North County women who are devoting many hours of their time to the Home's work with unwed mothers who are in need of help.

There will be no charge for this fine film showing, however donations will be accepted and there will be refreshments, including "baseball game specials" — hot dogs, pop and coffee to be sold to complete the illusion of a day at Candlestick Park.

The Home Circle encourages all to come for a good time, and bring the family.

DC-Colma Donors To Blood Bank

Recent donors to the Peninsula Memorial Blood Bank in Burlingame included Manuel J. Medina, Jr., of Colma, who donated for the third time, and Mrs. Pauline Herrod of Daly City, who made her first contribution.

Participates In Display

A/S 4 Burt J. Vossen, son of Mr. and Mrs. Arthur J. Vossen, 740 Stonyford drive, Daly City, participated in a massive display of missiles, artillery and engineer equipment in honor of President John F. Kennedy's visit in Hanau, Germany, June 25.

Vossen, a personnel management specialist in the 3d Armored Division's 503d Administration Company in Germany, entered the Army in July 1961, completed basic training at Fort Ord, Calif., and arrived overseas the following December.

The 20-year-old soldier attended Balboa High School in San Francisco.

Foreign Stamp Appeal Made

The Kiwanis Pacific Club of San Francisco has issued an appeal for canceled foreign postage stamps to be sent to hospitalized veterans of World War II and of the Korean conflict.

A total of 2,250,000 stamps have been issued to over 15,000 veterans in 12 government hospitals since December of 1951. According to the appeal, all foreign and domestic commemoratives and other U. S. stamps over the 5 cent denominations are needed for the stamp collecting veterans.

All stamps should be sent to Kiwanis Pacific Club, 1150 Divisadero Street, San Francisco, 15, California.

Robert Stein Acting In Drama Workshop

Dr. Clarence A. Miller, executive head of the San Francisco State College Drama Department announces that Robert Stein, 43 Windsor Drive, Daly City is among a group of fifty-three Bay Area residents participating in the college's tenth annual Drama Workshop for high school students.

Under the direction of Dr. Miller, the Workshop offers training in acting, stage-craft, body movement, lighting technique, make-up, and costume construction. The faculty members are provided by the College's Drama Department.

This Tenth Anniversary Workshop will feature performances of INDIAN CAPTIVE, a play for children, on Friday, July 19, at 8:00 p.m., and on Saturday, July 20, at 10:30 a.m. and 2:00 p.m., in the Little Theatre, 1600 Holloway Drive, San Francisco.

On Friday, July 26, at 8:00 p.m., the students will present a demonstration program which they themselves have created. The public is invited to see what the students study in their various classes. There will be no admission charge for this presentation.

There are more than 78 million telephones in the United States.

Temple Judea Starts New Construction

The realization of a long-held dream came to pass this week, when Temple Judea, presently located at 95 South Mayfair Avenue in Westlake and the first Reform Jewish Congregation to be organized in San Francisco in over 100 years, started construction of their new Temple on Brotherhood Way — near Parkmerced. The new Temple, designed by architect John Bolles and being built by Henry Doelger Builders, Inc., will be ready for services next May, according to Hillard Goldstein, President, Congregation Judea.

The unique idea of Brotherhood Way, an avenue dedicated solely to houses of worship of all faiths, was presented several years ago to the San Francisco City Planning Commission. Under the leadership of Mayor George Christopher, this plan became a reality. Immediately, groups representing the Catholic, Protestant, and Jewish faiths united in this new venture in American religious living.

Since then, the Holy Trinity Greek Orthodox community has started building its new Church, and the Church of Christ (formerly on 17th street in San Francisco) held dedication of its new house of worship on Brotherhood Way several months ago.

In the spirit of Brotherhood Way, the Church of Christ has made its Sanctuary available to Temple Judea, their future neighbors, for the Jewish High Holy Day Services this September.

Rabbi Herbert Morris, spiritual leader of Temple Judea, recently stated that "under the banner of Judea-Christian tradition, the Western world has been given a concept of brotherhood in action. It is the aim of our joint religious heritage to strive together in making brotherhood a real and vital force in the life of our people. Only in America has this been possible to the fullest extent. Brotherhood Way, as an avenue in San Francisco— one of the leading centers of world culture—will give fresh meaning and impetus to the idea of brotherhood!"

Temple Judea Sabbath Services - Friday, July 19th

Temple Judea will hold its regular Sabbath Evening Services this coming Friday night, July 19th, at the Temple 95 South Mayfair avenue at 8:30 p.m.

Rabbi Herbert Morris will speak on the topic "The Jewish Spirit"— a comparison between the traditional and modern viewpoints.

Hostesses for the Oneg Shabbat (Social) following the Services are Mmes. Zel Baer, Bruce Gilbert, and Harold Juster.

Temple Judea High Holy Days Services on Brotherhood Way.

Temple Judea will hold its High Holy Day Services on Brotherhood Way in San Francisco—right near Parkmerced — at the Church of Christ this year.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate.

Dr. W. Leonard Beck will direct the special High Holy Day Choir, which will sing at all services.

High Holy Day Services will be as follows:

Rosh Hashonah Evening Service, Wednesday, September 18th at 9:00 - 10:00 p.m.....

Rosh Hashonah Morning Service, Thursday, September 19th at 10:00 - 11:30 a.m.

Yom Kippur Evening Service, Friday, September 27th at 8:00 - 9:30 p.m.

Yom Kippur Day, Saturday, September 28th at 10:00 a.m. until 5:30 p.m.

Temple Judea will provide transportation via car pool for those who live in outlying areas and are unable to get private transportation.

Anyone interested in obtaining High Holy Day seats and information is urged to contact Temple Judea at PLaza 5-6362 or write to Temple Judea, 95 South Mayfair ave., Daly City.

The State of New York in 1901 established the first automobile licensing fee, charged one dollar per car and collected $954.

Sermons from Book of Jonah to Begin at Westside Baptist Church

"Running Away from God" is the topic chosen by A. David Donnelly, pastor of the Westside Baptist Church, for his 11 o'clock Morning Worship Hour message. This is the beginning of a series of messages from the Book of Jonah.

There will be special music provided at this service, and there will be a nursery for babies and toddlers and then, as usual, during the preaching portion of the Worship Hour, a primary church service is conducted for boys and girls four years of age up through the third grade.

Upon completion of the Morning Worship Hour service there will be a special meeting of the membership. At this service, the board of deacons will recommend to the church the reception of a number of new members.

Sunday Church School, the important hour in the week, convenes at 9:45 a. m. Sunday, July 21. There is a class provided for every age group, nursery through the adults, with graded lessons for the various classes.

At Westside Baptist Church the emphasis is on the family coming to the Sunday Church School, and remaining for the Morning Worship Hour.

Continuing in the study from the fifth chapter of II Thessolonians, the pastor brings a message at the 7 p.m. Gospel Hour in "Never Stop Praying."

Tuesday, July 23, at 7:50 p. m., at the home of Sunday School Superintendent Alton Swedberg, 19 Croston avenue in Daly City, there will be held the monthly meeting of Sunday School teachers and officers. The pastor and Mrs. Donnelly will bring some highlights from the recent Christian Education Congress of the Baptist General Conference at Vancouver, B. C., which they attended.

The mid-week Prayer and Bible Study this Wednesday evening, July 17, will be held at the Roy Ring home, 2221 Princeton avenue, San Bruno (Apartment 5). The pastor continues to lead in the discussion of the Book of I John. This week the study will cover the third chapter, verses 11 to 24.

Temporarily, Westlake Baptist Church is meeting in a new location, in the American Legion Hall, San Mateo avenue and Huntington street in San Bruno. This is for the four services on Sunday.

Layman Seminars At Bethel Church

The second in a series of three Layman Seminars will be held at Bethel Church of Pacifica on Thursday, July 18. The subject to be discussed will be, "Talents." There will be a panel consisting of Mr. David Bacon as moderator with Mr. John Canales and Mrs. Ruth Ullner as panel members.

Each panel member will give a ten minute presentation on the selected topic, after which the moderator will ask for questions and discussion from the audience. Anyone interested in this subject is cordially invited to attend the seminar. The time will be Thursday, 7:30 p.m. at Bethel Church of Pacifica, Higgins Way and Adobe Drive in Linda Mar.

Synagogue to Hold Last High Holiday Service

Last High Holiday service to be held at Congregation B'nai Israel, the oldest synagogue on the Peninsula. Temple site will be torn down to make room for a new freeway and that is the reason for the final service this year. Next year they plan to hold services in a new edifice. Announcements will be forthcoming later on. Plans are being formulated for the new temple site. An architect has been engaged.

Membership to B'nai Israel is now open. Reservations for Sunday and Hebrew classes will now be accepted. For information, please call membership chairman, Paul Lichtman, PL 6-1930 or JU 6-7642 or write to 67 Los Banos avenue, Daly City.

Congregation B'nai Israel will continue to hold their Friday evening service during the summer months. While Rabbi Shore is on vacation, members of the congregation will conduct the service.

Sisterhood News

A special board meeting was called by President, Annette Kroner to make plans for a membership affair some time in September and set up all their dates for the new term.

"Good Spiel" Stress at Broadmoor Presbyterian

Emphasis will be made next Sunday, July 21, on the use and meaning of Gospel music at Broadmoor Presbyterian Church in Colma. Gospel comes from Good Spiel, or Good News, and the use in church music has reflected a more informal, homey, joyous attention than the traditional melodies which are sung in most Protestant churches.

The Rev. Mr. Herbert Tweedie, minister of Broadmoor Church, mentioned that the bulk of Gospel tunes derived from folk melodies in the 19th century in our country, made for easy, enthusiastic singing without elaborate arrangements.

Delmar Severy, director of music, will lead members of the adult choir in the Fanny Crosby Gospel hymn, "Blessed Assurance." A feature of the music worship will be a violin solo by Mrs. Daisy Tripodes.

Good News in another light wil be the experiences of a large group of Broadmoor Presbyterian members who recently spent a week at the annual Tahoe Family Conference at Zephyr Point, Nevada. For the third consecutive year, the entire teaching staff of the California-wide conference has come from the local congregation. Under the direction of Tom House, the staff included Mr. and Mrs. Ken Gillespie, Mrs. Bernice Hamilton, Mrs. Shirley Pappas and sister Linda Bolen, Mrs. Elizabethe Hopkins, and Mrs. Leah House. Mr. Gillespie and Mr. House will speak for the group briefly at the Sunday service.

The Rev. Dr. James Glesse, son of the founding minister of Broadmoor Presbyterian, John Glasse, was one of the three faculty members at the week-long conference. Dr. Glasse is currently at San Francisco Theological Seminary in San Anselmo on a year's teaching assignment, from which he will leave in September to return to Vanderbilt University in Nashville, Tennessee. His position at Vanderbilt is that of Associate Professor of Practical Religion in the Seminary there.

Rod Barnes, chairman of the Margaret Pauline Brown Memorial Organ Fund at the 87th Street Church, reported that nearly $7,500 has been received or pledged toward the $10,000 goal set by the Committee for the purchase of a new organ. Additionally, Mrs. Brown, long time teaching and civic leader in Colma, left the church $1,000 which will be used to help purchase the replacement instrument.

Services during the summer months at Broadmoor Presbyterian are held at 10:00 a.m., with concurrent Sunday school for all ages, and infant care provided.

Baptist Church Schedules Bible School

Vacation Bible School will be held from August 19 through 29th at the Westlake Community Baptist Church, Southgate and Elmwood streets, under the direction of Mrs. George Marshall and leadership of Reverend H. Hansel Stembridge, Jr.

Mrs. Marshall states that the Tiny Tots Class for three-year -olds has been filled but all other groups ranging from four through 12 years of age are welcome to join in the full program of learning about God and his Word, music and recreation which will be offered from 9:00 a.m. to 12:00 noon each day of the session with a special Thursday night dinner ceremony on August 29th to conclude the School.

Lutheran Picnic Slated

"Be What You Are," will be Pastor Kenneth Hansen's sermon topic, Sunday, at Westlake Lutheran Church, Avalon at Westmoor.

An Adult Bible Study is held every Wednesday at 7:30 p.m. at the Church.

A Teacher Training Class for Daily Vacation Bible school was held at the Church, Tuesday, July 16, at 7:15 p.m.

The youth of the church are going to take a trip to Marin County for the day, July 21.

The annual congregational picnic will be at Adobe Creek 26220 Moody Road, Los Altos, July 20. A charge of $1.25 per adult and 75c for children 6 to 12 years will be asked. Children under 6 years free.

Reservations for the picnic may be made with Mrs. Marion Kraling, PL 5-3064.

An area is reserved for the Church and may be found by asking for the Westlake area.

The facilities offer swimming, picnic area with Barbegue and tables and several game areas.

Everyone is to bring their lunch and something extra if plans are made to stay for the evening Pot Luck.

Something for Everyone

By Samuel Chandler

The Longines Symphonette's "Treasury of the World's Most Honored Musical Favorites," contains 151 selections on twelve stereophonic records.

People who like variety—Mendelssohn on the same record as Gilbert & Sullivan; Wagner with Victor Herbert; Beethoven's "Scherzo-Eroica Symphony" followed by "The Caissons Go Rolling Along," will enjoy these recordings. Each piece was carefully chosen by a group that became popular during a brief period when radio found time for the Firestone Hour and the Saturday presentation of the Metropolitan Opera.

The results are an amiable and generally charming set of records settling midway between recordings of recognized classics and those of the so-called "Pops" orchestra.

It is the policy of the Daly City public library to provide a wide range of music and literature on records that may be checked out for two weeks by adults.

To date, the library has added more than 600 records. Most of these are long-playing monaural, 33⅓ rpm discs. A few, however, like the Loingine Symphonette's treasury are stereophonic and must be played on a stereo machine.

The addition of recordings has been widely received by the people of Daly City. As a result, the circulation is large —yet we have been able to provide records for nearly everyone who has asked for them.

St. Paul's Sponsors Folk Dance Festival

The Folk Dance Festival sponsored by the Golden Gate district of the Methodist Youth Fellowship will be held at St. Paul's Methodist Church in South San Francisco on Friday evening, July 19.

Groups from the Bay Area and Peninsula churches are planning to attend. The time: 7 to 11 p. m.; attire, Gold Rush Days costumes.

The Vacation Church School of St. Paul's Methodist Church will hold its closing program and open house for parents and friends on Thursday evening, July 18, at 7:30 o'clock. Among those who have been assisting are Mrs. John Rummell, superintendent; Mrs. Marshall May, assistant superintendent; Mrs. Reed Stewart, Mrs. Paul Armentrout, Mrs. Joe Pokrywka, Mrs. Ed Kremers, Mrs. Richard Johnson, Mrs. Ben Holland, Mrs. Joe Paron, DeeAnne Paron, Mrs. Aldo Minucciani, Mrs. Walter Brill, Mrs. James Schwirian, Mrs. D. I. Carlson, Mrs. Jack Harrison, Mrs. Bertrum Nicholls, Jim and Mike Carlson, Mrs. Reed Atkinson, Linda Steinert, Patty Mann, Janice Porter, Terry Hermone, Kathy Davis, Alice Perry, Beth and Susan Soltis and Mrs. Elmer Wieler.

The Rev. Robert A. Lundy of St. Paul's will preach upon the theme "Follow Thou Me" on Sunday, July 21, at 9:30 a.m.

Mrs. Joe Paron and Mrs. Alan Bockes will attend the W. S. C. S. School of Missions and Christian Service at Asilomar, July 22-26.

The Pioneer Group of St. Paul's Church will sponor a "Do It Yourself" watermelon beach party at Sharps Park beach, near the golf course, on Sunday afternoon, July 21. The group will leave the church at 2 p. m. Members are asked to bring firewood.

Witnesses To Meet in Pasadena

Members of the Daly City congregation of Jehovah's Witnesses will experience something new in conventions this year.

According to William Marks, presiding minister, "never before has there been a convention like the Around-the-World Assembly of Jehovah's Witnesses."

According to Weeks, there will be three conventions instead of one. "Instead of bringing delegates from all around the globe to one point in the United States, there will be three: Milwaukee, New York and Pasadena.

What makes this assembly different is that it actually moves around the world and stops at 24 different cities in just ten weeks. Not only do some of the main speakers travel with the assembly around the world, but so do a large body of delegates," Marks stated.

"These delegates, almost 600 in number, will also share in the assembly activities as they circle the globe, beginning at Milwaukee, on to New York, London, Europe, the Near East, Asia, Australia, and culminating at Pasadena," Marks said.

Approximately 100 members of the Daly City congregation will meet these delegates at the Pasadena Rose Bowl, September 1-8. Sponsored by the Watchtower Bible and Tract Society, the eight-day gathering is expected to draw 70,000 delegates to the West Coast alone.

Shakespearean Festival at Santa Clara

Rehearsals are in progress at the University of Santa Clara for the speech and drama department Shakespearean festival, July 18-Aug. 4.

A 35-member repertory company will present **Romeo and Juliet** and **Much Ado About Nothing** on altenate nights, Thursday though Sunday, during the festival. Performances will be at 8:15 p.m. in "The Lifeboat" theater, 2350 The Alameda.
